November 2021

Dear Friends,

It seems like we have just blinked, and Advent is already around the corner again. For many of us, as soon as the calendar flips to November, it is quickly filled with things to do: shopping lists, commitments, and, unsurprisingly, stress. But what if this year we were to decide to simplify things so we could really enjoy the meaning of Christmas.

Intentionality is the practice of being deliberate and purposeful. Proverbs 14:8 says, “The wisdom of the prudent is to give thought to their ways.” Being intentional means that we slow down enough to enable us to determine whether something is worth saying or doing.

The four weeks before Christmas, *the season of Advent*, are full of joy and hope as we await the coming of Christ the King. Just as Lent prepares us for Easter, so Advent is a time for getting ready for the arrival of *God with us*. During Advent, the Church draws upon the prayers and longings of God’s people both in the Old and New Testaments. Advent invites us to identify with those who, long ago, waited for the Christ.

For me, the four weeks before Christmas is not a time for shopping, baking, buying presents, putting up decorations and writing cards (although of course, many people may want to do these things). Rather, Advent is a period of personal and corporate preparation. It is a time to reflect upon how to intentionally celebrate the birth of Jesus Christ, in ways that remind us of Jesus’ historical coming, his coming again in glory, and to help us be more keenly aware of how Jesus comes to us in the unassuming and everyday encounters of life. I am always weary of the commercial and social pressures that compete for attention and distract more and more from the peace and promise of Christmas in the person of Jesus Christ.

Isaiah 9:2 articulates the hope, peace, love, and joy, which Jesus’ coming brought into the world: “*The people walking in darkness have seen a great light, on those living in the land of deep darkness a light has dawned.*” Isaiah predicted long ago before Jesus came into the world that

his *Salvation* would be a light for all people. This Season of Advent gives us a wonderful opportunity to pause for a moment, to ponder upon the coming of the eternal Son of God into the world to become that baby in that manger. God came to earth in Jesus so that he could be our sacrificial Lamb — to rescue us from sin and death, thus, fulfilling the long-awaited promise of God’s coming to his people.

This Advent we all can be intentional if we choose to. So I encourage us all to find our own unique rhythms of personal reflection and prayer, as we collectively journey together and rehearse once again the story of God’s coming into the world and into our lives.

During Advent, I hope to share some daily reflections with you via email to give us a tangible awareness of our collective journeying during Advent. I hope many of you will find them helpful. As we end this liturgical cycle only to start all over again, I leave you with a prayer before Advent:

Lord, Jesus our Saviour, the one who  
is to come,  
we come to you now.  
Our hearts are cold;  
Lord, warm them by your selfless love.  
Our hearts are sinful;  
cleanse them with your precious blood.  
Our hearts are weak;  
strengthen them with your joyous Spirit.  
Our hearts are empty;  
fill them with your divine presence.  
Come, Emmanuel:  
enter our lives,  
possess them always,  
and only for yourself.

The Strategic Executive Group (SEG), Circuit Safeguarding Group, Synod Representatives, the Circuit Invitations GID (Get it Done group), the Legal Signatories and the Auditors were all appointed

**\*The updated Safeguarding Policy** including the definition of the 'temporary' period for which a minister can cover the role of Local Church Safeguarding Officer, as one year.

**\*Delegating responsibility to the Strategic Executive Group for the Circuit's response to the request from Conference for a financial contribution to the Pension Reserve Fund.** This followed a comprehensive discussion during the meeting.

**\*Grants** for work on property/grounds at Caversham Heights Methodist Church and Tadley Common Methodist Church.

**\*The decision of Caversham Gosbrook Road and Caversham Heights Methodist Churches to be one church on two sites.** This was both approved and affirmed.

### **Message from Basingstoke Voluntary Action re Afghans**

We have been overwhelmed by the support which has come forward and thank residents for the continual support. However, we find ourselves in a situation where certain specific items that can't be donated need to be purchased eg support with transport costs, personal hygiene products and other key items. What can you do to support? We're seeking to build a support fund to help purchase these goods as and when needed. Any unspent funds raised shall be donated to other good causes within the borough that support vulnerable residents. Please follow the link below to help build our support fund: <https://cafdonate.cafonline.org/18047> We would be grateful if you could share our message to others who may wish to help our cause. Once again, a huge thank you for your continued support. Kind regards The BVA Team

## COP 26

As you read this issue of Trinity News, world leaders will be gathering (or may already be gathered) in Glasgow for the COP 26 Climate Change Conference. Scientists are largely agreed that this is the last opportunity for our leaders to take the bold but difficult decisions that could limit the rise in global temperatures to 1.5°C. A rise above that would lead to even more severe impact on life on earth, with large parts of the world being simply too hot to sustain life, more frequent and more severe wildfires, droughts, storms and floods, and the loss of many animal and plant species. This in turn would lead to unprecedented migration of people, leading to global insecurity.

If you want to find out more about COP 26, there is lots of information on the Internet, including at <https://ukcop26.org/>.

As you read this, I ask you to do three things:

- 1) **Pray:** this is God's world, and we are tasked with caring for it. Pray that our leaders, at every level, will be willing to take the necessary action to preserve this planet. Thank God for the beauty and diversity of creation. Ask God's forgiveness for the damage that people have done to the planet in so many different ways, and ask God how you can help ensure that our children and their children can still enjoy life.
- 2) **Campaign:** I would guess that this doesn't come easily to most people, but it's not difficult. Sign one or more of the open letters on the Internet – Tearfund's is an example at <https://wearetearfund.org/takeastand/> – or send a message to the leaders at COP 26 – as an example, The Guardian newspaper is collating messages for delivery to the conference at <https://www.theguardian.com/environment/2021/sep/28/tell-us-what-is-your-message-to-leaders-at-the-cop-26-climate-change-conference-2021>.
- 3) **Act:** play your part, by reducing your impact on the environment. Eat less meat and dairy produce, perhaps by having one vegetarian or vegan day each week; drive a little less; switch to a renewable energy supplier; heat your house a little less (but not so that you get ill from the cold); try to buy from local suppliers and from those who have strong sustainable values and processes. These may be small actions in themselves, but they can add up to big changes if everybody does a little.

Thank you.

**Tony Pitt**

**Scam watch:** Last week, someone was contacted saying they were eligible for a Covid Pass, inviting her to apply and saying that if you don't get one you could be liable for a fine. An administration fee of £1.99 was required, payable by filling in debit/credit card number, expiry date & security code from back of the card. Then she was asked for her bank account number and sort code, at which point she realised it was probably a scam. We checked on the internet and this is indeed a scam, fishing for bank details. Fortunately she had not sent any of these details off, but it was quite convincing. Please be aware and share this far and wide.

## ECO CHURCH (GOOD) NEWS

Thank you very much to all who completed the ECO Lifestyle Survey. We received completed questionnaires from 21 households and we believe that the results will enable us to achieve the bronze level in that category.

However we do have to satisfy 5 categories to complete the bronze award for the church as a whole. We believe that we have done enough to satisfy 3 of them, namely:-

Worship & Teaching  
Buildings  
And now Lifestyle.

The 2 areas that we need to work on are:-

**Land & Community** ie how we use the land around the church to the benefit of wildlife, plants etc and whether the local community is involved in the use of the land.

**Global Engagement** ie Engagement with the local community and overseas ECO related charities ie Toilet Twinning. Do we hold ECO related events on the church premises, arrange talks with our local MP or council members inviting members of the community and a whole raft over other initiatives.

Both of these will provide significant challenges to us all. Any ideas in these areas would be welcome.

***Tony Pitt and Peter Ansell***

## Coming for a short time only to your Church

This is a short time offer for you to get rid of any spectacles that are no longer in use in yours or your friends' homes. Until the **end of December** only, I will collect any old glasses you have and hand them in for recycling at a local store or charity.

Don't miss this chance to reduce your clutter and help others at the same time. When you bring them to Church please hand them over to me. Happy hunting.

**Jennifer Pitt**

## **Hold her hand**

While out in the town, I saw an elderly couple holding hands while they were walking. As they approached, I commented on how romantic it was. The man replied, "we have been holding hands when we go out in public for over 30 years. I have to. If I let go, she shops."

## Trinity Methodist Church Basingstoke, Church Council

The Church Council met on 07 October 2021 in the Church Sanctuary, led by Rev'd Audrey Browne.

### Reports from Groups

We now only have a small team of three Stewards: Diane, Jenny and Edna; currently also with Katrina, but this may change.

The Worship Group continue to meet; there is a shortage of preachers across the whole Circuit.

Prayer Link is still in operation.

JAM have had two meetings since lockdown was relaxed. Not so many are coming at the moment, but this may change.

House Groups: Winklebury is the only active house group at the moment, headed by Heather Shepherd. Edna is hoping to re-start the Northern house group.

It was felt that our Coffee Morning may not be viable until the Spring. It would probably be allowable to remove masks when seated, but wear a mask when moving around, and maintain a one metre social distance.

Edna has stepped down from the Admin Team, so the office can now only open on one day each week. Some copies of the Magazine are still being printed for those who do not have computer access. The notice outside the Church shows the office number which is only manned once a week. Audrey agreed that her number can be given here.

Soul Space: Not meeting at the moment. However, there is a potential problem on Mondays with a dance class also running at the same time, so the area cannot be as quiet as would be needed. Perhaps things might be different by next Spring.

Worship Leaders: Hilary is still in training.  
Worship Group leaders might need some support.

### Mission Action Plan

The Plans distributed to the meeting represent nine months of hard work. Barbara thanked everyone for their prayers, and those who helped with the survey, and attended the workshop on Saturday 24 August. They now need someone to take this on and make sure it moves forward and grows. Thanks were expressed to Barbara.

### Finance

The meeting approved the appointment of Sarah Whithorn, who has agreed to audit the accounts.

A number of reports which had been submitted were approved for signature.  
Gas and Electricity costs are fixed to 2023.

Deficit: We should not draw on reserves to cover the deficit in the accounts, as it is allowable to use reserves only for specific projects. We would need to increase income and/or reduce expenditure to cover a deficit.

Circuit/Pension Fund deficit: there is a suggestion that churches should pay 15% of income to cover this. This may not be possible.

*cont'd...*

**Support Services:**

Various documents circulated for the meeting were approved for signature: Property Check List, Property Return, and Property Information Report. The last expert electrical check was carried out in 2014, and the next one should be arranged for next summer when the power can be cut off without disturbing any users of the building.

Hiring and Parking charges are set by calendar year, so the meeting approved that these charges remain unchanged. Sue Doust resigned from the Booking and Parking job some time ago but continues to fill the role until a replacement is found. We urgently need someone to take on this role.

Our Admin office is now only open on one day per week. Thanks were expressed to Edna for all her work over such a long time.

**Relaxation of Covid-19 rules:** A number of questions were put to the meeting in this regard. Proposal was that people could be allowed to remove masks when seated but would need to put masks on when walking around and when singing.

Signing in should continue, so that we are always able to identify any visitors if required at a later date. ***Due to the current situation, the rules will remain Unchanged until further notice.***

Post-service refreshments: not yet, but maybe in the Spring when the windows can be opened. Suggestion was that we should try out having refreshments after a service before we resume a coffee morning. The decision was deferred to the next Church Council meeting on 10 March 2022.

Those people who feel they wish to continue wearing masks could be seated somewhere appropriate where they will feel comfortable, perhaps near the side door which could be opened for improved ventilation.

Lettings: We may be getting a new letting on two days a week in the basement.

Health and Safety: Nothing particular to report; the floor in the foyer needs to be repaired/renewed.

**Eco Church:** Tony and Peter are working towards a Bronze Eco Church award. Thanks were expressed to all who completed the questionnaire. The Circuit Eco Group had warned that we should expect a very low response level, but the achievement was actually better than forecast.

**GILUU:** [God In Love Unites Us]

Audrey has expressed her feelings on this matter. In the event of a need arising, we can contact the Circuit for assistance.

**An Invitation from Angela Webb**

I have been reflecting since I attended the Trinity Mission Action Plan Meeting in September.

I am starting some small groups led by me starting initially on Zoom on a Tuesday afternoon with a view to transferring some of them to Trinity once we have got through the coming Winter. I am imagining that these groups would comprise 6 people on Zoom and would meet fortnightly or monthly depending on how many people wanted to join in.

These groups would focus on the part of the **Methodist Way of Life** (a copy of which is in the October issue of Trinity E-news) which speaks of looking and listening for God in scripture and the world. They would draw on our experience of the praying with the Bible groups that I held at my house before covid. However I am thinking there would be more sharing and I would try to provide some material in advance. I hope we would find ourselves learning and discerning in ways that would affect our individual and community lives.

I am hoping that, as we begin to meet on Zoom, you will help me to work out how to include those who cannot access Zoom.

If you would like to join one of these groups, please would you contact me by email at [angela@webbfamily.org.uk](mailto:angela@webbfamily.org.uk) and I will send you a link to our first Zoom meeting.

The focus of our prayers will be calling upon God to equip and empower the church in our community as expressed through OneChurch Basingstoke to play a major role in 'Building back Better' following the ravages of the Covid pandemic. We believe that we have a part to play in the recovery of our town that can only be done through working together as God's people.

*Looking forward to  
 COP 26,

Gracious and Generous  
 God,  
 Creator and sustainer of all,  
 Great I am,  
 We praise you.  
 Everything is a gift  
 From you,  
 We thank you.

We thank you  
 For this blue planet,  
 Our fragile home,  
 Seen completely  
 In images from space  
 Placed alongside  
 Words from the Bible,  
 'In the beginning God  
 created  
 The heavens and the  
 Earth.'  
 You saw your Creation  
 And it was good.  
 Wise elders remind us,  
 Human beings are one  
 thread  
 In the web of life.  
 Whatever we do to the web,  
 We do to ourselves.

Creator God, forgive us  
 Our self-centredness,  
 Our greed,  
 Our blindness to the lies  
 We tell ourselves.

We have refused  
 To let you be God.  
 We have put ourselves  
 At the centre of Creation.  
 We have dominated  
 And exploited the planet  
 You entrusted to us.

We have gorged ourselves  
 Burning fossil fuels.

We have saturated the  
 atmosphere  
 With greenhouse gases  
 Causing global warming,  
 Hurricanes and heatwaves,  
 Wildfires and winter storms,  
 Flooding and droughts,  
 Retreating ice,  
 Rising sea levels.

We know we can  
 Make a difference  
 But we have failed  
 To work together  
 With one another  
 With You  
 For this good.  
 Forgive us.

You show us  
 That we need to reach  
 Net zero carbon  
 Quickly.  
 Show us too Gracious God  
 What is ours to do?

We can pray;  
 Holy Spirit teach us to pray  
 We can urge our leaders  
 To build climate friendly  
 Communities;  
 Holy Spirit guide us  
 In our campaigning.  
 We can eat less meat,  
 Fewer dairy products  
 And more vegetables.  
 Holy Spirit grant wisdom,  
 Show us the next step to  
 take.  
 We can use our cars  
 Only when essential.  
 We can save energy at  
 home  
 And use green energy.  
 Holy Spirit help us  
 In our stewardship.

Gracious and Generous  
 God,  
 Creator and sustainer of all,  
 Great I am,

We cry out to you for help.  
 Help us to put you  
 At the centre of our lives.  
 Help us to care for  
 Brother ocean and sister  
 wind.  
 Help us to honour  
 The cheeky bluetit  
 And the soaring red kite.  
 Help us to savour  
 The fragility of the  
 snowdrop  
 And the mighty strength  
 Of the redwood tree.  
 Help us to see your hand  
 In all that you have made.

This is a huge task  
 Requiring changed hearts  
 And renewed minds.  
 Send forth your Spirit  
 To transform us.  
 Empower us to repent  
 And to work with you  
 For the good of the whole  
 planet.  
 We know that you have  
 promised  
 That you are making  
 All things new.  
 Renew our hope, our  
 resolve  
 To place you at the centre  
 Of all we do  
 And to thank you  
 For life in all its fullness  
 In our thoughts and words,  
 In our individual actions  
 In our corporate works.

Gracious and Generous  
 God,  
 Creator and sustainer of all,  
 Great I am,  
 We praise you.  
 Everything is a gift  
 From you,  
 We thank you.

## Housegroups Are you interested?

I have been attending a housegroup here in Basingstoke for the last 25 years, and previous to that I was in a housegroup at my last church. You may ask *why?* We have met for bible study, discussion, fellowship and social activities in someone's home (usually accompanied by tea and biscuits!) We have invited speakers and had outings.

For me a group like this is an important "extra" to my membership of the Methodist Church, as a way of understanding more of the Scriptures and feeling free to ask questions. There is a great value in the fellowship that grows with a group and we can share anything with each other from things we are struggling with to things we are thankful for. This is not mandatory of course and some people like to come and listen without having to air their views.

It is possible that we may start a new group if enough people are interested. Of course all housegroups are different and the new group would decide what they want from it.

**THIS IS YOUR CHANCE TO BE A PART OF IT! Don't miss it.**

Please contact Jennifer Pitt by phone, email or in person if you would be interested in joining a housegroup.

## Harvest Collection

We had a tremendous response to our retiring collection for harvest. With gift aid added we raised £305.

Jennifer took a trip to Tesco and overfilled a trolley, which is probably why she dropped a jar of pasta sauce on the floor there - - oops. We purchased mainly meat, fruit, pasta sauces and fish. The car was loaded and we delivered the items to foodbank that afternoon when we were doing our weekly stint there. The produce weighed in at 205.42kgs or 32.5 stone. That means the weight of the donation is equivalent to feeding about 35 people for 3 days.

So on behalf of Basingstoke Foodbank and their clients, a big thank you for your generous donation, **Jennifer and Tony Pitt**

## Faces and Places

He stood on the doorstep. He was tall, and I said, "I am collecting for Christian Aid" He went to get the envelope. Then he said "You don't remember me, do you?" I struggled with my memory. "Well, no, should I?" I replied. "I was one of the little boys you crossed over the road to school" he said. He had grown beyond recognition. Sometimes it is people we should recognize, whose faces are less familiar, and we cannot put a name to them. Age and perhaps Dementia can cause this, and we are sad because of it.

Recently I went on holiday, to a little Welsh town, just over the English border. When I arrived, waiting to meet me at the station, was a lady I first met several years ago. What a joy it was to see her. I felt welcome, a good feeling.

Covid has robbed many of us of those special loved faces, but gradually we see them again, and the place they have in our hearts is restored.

My holiday, in a place I lived, over sixty years ago, was wonderful. Just to walk along the streets, remembering the names of the people who lived there, was so enriching. Bowling Green Lane, (no Bowling Green there) Bronybuckley, where a brook had run alongside the houses, and the Welshpool Llanfair light railway which went through the town. Then the canal basin, part of the Montgomeryshire Canal, and the little shops, no department store here.

The town hasn't changed much, and the folk at the Methodist Chapel on Sunday morning, were warm and welcoming. Over fifty of them singing, (behind masks) in Harvest praise as only the Welsh can.

We all have places and faces we love, and we are blessed if we can recall and visit them.

Jesus said in John 's Gospel, "I go to prepare a place for you, that where I am, you might be also."

The hymnwriter John Henry Newman, writes in the last verse of his hymn, '**Lead kindly light**':

***'So long thy pow'r hath blessed me, it still will lead me on,  
o'er moor and fen, till the night is gone; and with the morn,  
those angel faces smile, which I have loved long since, and lost awhile.'***

God bless you.

## ADVENT REFLECTIONS OPEN TO ALL

**At Old Basing Methodist Church, on Thursdays at 2.30 pm**

**Session 1 on 25th November “On the Way to Bethlehem”**

**Session 2 on 9th December “Beyond the Chocolate Window”**

**Session 3 on 16th December “Walking backwards to Christmas”**

**At Oakridge Methodist Church, on Sundays at 3.30 pm**

**Session 1 on 28th November “On the Way to Bethlehem”**

**Session 2 on 5th December “Beyond the Chocolate Window”**

**Session 3 on 12th December “Walking backwards to Christmas”**

**Family tree** – At a drinks party at a wealthy golf club, the conversation turned to the subject of ancestry. "Of course, we trace our family back to coming over with William the Conqueror," observed one lady with satisfaction. She turned to a second woman, who was new to the club, and asked, "What about you dear? Can you go back very far?" "Not very far," came the reply. "You see, all the early family records were lost in the Flood."

## Blister Pack Recycling

Many thanks to all of you donating your empty pill packs and to those who are collecting them from others too. I am overwhelmed at how many have appeared for me to recycle. It makes me realise how many went into land fill before we started collecting them.

I have now taken 12 very full “bags for life“ of tablet packs into Superdrug. I can fill their recycling box with one visit! I am sure that the help that Marie Curie is getting from these is welcomed and of course it is helping to take care of the planet for future generations.

Please continue to leave them at church for me to collect, in the **white labelled bin provided, which can be found in the foyer area at church.** However I would be happy to collect locally if you are unable to get to church.

**Jennifer Pitt**

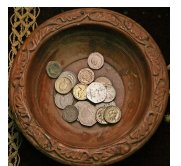

## Recycling of Plastic Milk Bottle Tops –

If you have plastic milk bottle tops (**only milk bottle tops**) and are not already recycling them and would like to, Pamela has a contact with a collector for the Hampshire and Isle of Wight Air Ambulance. Tops can be given to Pamela or ring the Bishop family on ☎: 01256 467702.

Thank you, **June Bishop**

## Trinity Collections

As you will expect, Trinity’s income has been severely reduced over the past six months. This is partly because hirers have had to stop meeting, but also because without services in Church the collections have stopped. Nevertheless, much of our expenditure has continued – almost half of our outgoings go to the Circuit to pay for, among other things but to a major extent, the Circuit staff, both ordained and lay.

We would like to express our thanks to those who contribute by Standing Order, and those who have made contact to continue their regular giving via monthly envelopes. We would like to remind you all that there are a number of ways that you can contribute financially to God’s work at Trinity and we would particularly welcome any donations at this time.

If you need more information as to how you can give to Trinity, please contact:

**Our foodbank relies on Your Goodwill & Support. Monetary Donations big or small are also gratefully received.** Over 90% of the food distributed by foodbanks in **The Trussell Trust** network is donated by the public – that's why your food donations are absolutely vital to our ability to give everyone referred to us a balanced and nutritious three day supply of food.

Our Basingstoke Centre remains open for donations of **food & toiletries including fresh veg, bread & eggs** during our regular opening times which are from 10 am – 3 pm, Monday to Friday. We still have donation points around the region, find your nearest collection point below.

## RECYCLING UPDATE

### WE STILL NEED YOUR RECYCLING!

The recycling is going well and at the end of October I redeemed £90 from TerraCycle. We have now raised just over £1,000 with this scheme. The biggest collection is nearly always the crisp packets, which is not surprising since it is quicker to eat a bag of crisps compared to a packet of biscuits! I need a minimum of 8kg of crisp wrappers before I can send them off and I usually manage to send in a shipment every month. Biscuit wrappers tend to take slightly longer even though I only need 5kg. The collection of baby food pouches and kids' yoghurt pouches was slow to begin with but is picking up now although it takes several hundred to comply with the minimum weight of 8kg. Keep them coming!

The slowest collection is the Air and home collection so we really could do with boosting this. Do you get your dishwasher tablets or detergent in those flexible packaging bags?

How about the packaging of household wipes like Flash or the anti-bacterial ones? If so, pop them in the bin and we can recycle them. Other items like plastic air fresheners, tinted fabric conditioner bottles or the tinted boxes, even used tumble dryer softener sheets can all be recycled. If in doubt just ask me or check the labels on the bins.

Many thanks for all your support, **Hazel Green**, [malandhazel@hotmail.com](mailto:malandhazel@hotmail.com) ☎: 07776 442529

## Nigel has been busy raising money for Children in Need

### How did Nigel get involved ?

Nigel wanted to give some money to **Children in Need** and was watching the One Show and their bike ride. But this had to stop because of Covid 19. So Nigel thought that we must back the children who were told that they couldn't do it. With money you could pay for a child to go to one meeting / club. So Nigel decided to pay for the whole year and also paid for a second person with the help of Gift Aid. Nigel said it makes him smile when he thinks of the children having fun.

This year the money that has come from **Children in Need** to Basingstoke is £45,634.

**Nigel has been given a 'Thank You Card' from Children in Need and had a Zoom call with Matt Baker and the Chairwoman of Children in Need.** As he wasn't able to meet them in person due to Covid 19, he will be going to the TV centre later in the year to meet the bear. Nigel said he still can't believe this and he will keep us all up-to-date on what's going on.

**Well done Nigel (and we look forward to the next instalment)**

## The Body of Christ Portrayed in Nature

I took a walk over by the lake in the Vyne National Trust gardens the other day and took this picture. It is of a whole community of ducks, many of them I am sure were hatched earlier in the year, and raised from chicks by their parents during the Spring and Summer, and were now young adults in their own right. All of them had now come together for a common purpose, the annual migration to the South to warmer climates. They needed to be together to protect each other during their long and dangerous journey and to follow the leadership of the mature adults who had made the journey before. Each of them would have their own part to play on that journey, looking after and protecting one another.

Returning home the following thoughts came to mind. The actions of this community of ducks is a living example to us of God's Creation in action, and an example to us all of God's ongoing plan for the well-being of all His Creation.

God has created each of us as unique individuals with our own personal skills and attributes, but with freedom of choice in our actions. Through the indwelling of His Spirit He has then brought us together united in the body of Christ to do His Will for the benefit of all mankind, using and developing these God given skills.

Should we not look to God's Creation of the creatures of the land, sea and sky, and see how they work together in harmony, and learn from it?

Just as we are guided by God in our actions and deeds, should not these creatures created as they were in an earlier time than ourselves, be guided by God, their Creator, to do His Will in a way unique for them?

*4. Just as each of us has one body with many members, and these members do not all have the same function, 5. so in Christ we who are many form one body, and each member belongs to all the others.* Romans 12: 4-5.

## The Syrophenician Woman and the Dogs

We are all familiar with the story of the faith of the Syrophenician woman in Mark Chapter 7, when Jesus drives out demons from her daughter because of her great faith.

27. *"First let the children eat all they want", he told her, "for it is not right to take the children's bread and toss it to their dogs."*

28. *"Yes Lord", she replied, "but even the dogs under the table eat the children's crumbs."*

29. *Then he told her, "For such a reply, you may go; the demon has left your daughter."*

The "children" being the Jews, the lost sheep of Israel whom Jesus was coming to save,

*cont'd.....*

### *The Syrophenician Woman and the Dogs (cont'd.....)*

and the “bread” being God’s covenanted blessings. The “dogs” being the Gentiles, whom the Jews considered to be spiritually unclean and inferior, and generally used the term dogs as an expression of this. Dogs in this sense would have been the wild unclean dogs of the street.

In a recent discussion on this topic I have taken a less extreme view of the “dogs” in the context of these verses. Jesus has come deliberately to Syrophenicia to reach out to the Gentiles and is now making this outreach public which would have been offensive to many Jews. Jesus however has a conciliatory approach to the Gentiles and does not portray them as wild dogs but as domesticated ones living with the “children”, as inferred by “tossing the bread to their dogs”.

The Syrophenician woman, was a determined woman as demonstrated by her persistence in seeking out Jesus and demonstrates that she has a sharp mind and a sense of wit in her immediate response. She is not insulted but agrees with Jesus that she is less deserving than the Jews, although not without some merit, and so deserves some small favour from God. Hence her response relating to clearly domesticated dogs in the home living under the children’s table and eating their crumbs. It was her demonstration of her faith in the healing power of Jesus and his God given authority, and her persistence, that enabled her daughter to be healed.

This is a watershed moment in the Ministry of Jesus, and the message is one of reconciliation and outreach as Jesus is now clearly demonstrating that His Ministry is for all mankind and not only for the children of Israel, and continuous with us today.

## **Basingstoke Street Pastors have Vacancies for:**

- Trustees – we are looking for at least two people to join our management team. The team usually meet for a couple of hours every two months. Trustees come from every walk of life and bring that experience to the team. You do not need to be a Street Pastor to become a trustee just have a heart to serve God by serving the teams that go out.
- Street Pastors – we are looking to greatly expand our current team by recruiting 10 new Street Pastors. This will enable us to cover all Friday and Saturday evenings each month as we currently cannot do this. Street Pastors are also drawn from all walks of life. They need to be people in good standing with their local church and be at least 18 years of age (there is no upper age limit!). We ask Street Pastors to patrol just once a month. The best way to find out if you have what it takes is to join team as an observer a couple of times.
- Prayer Pastors – these are people who commit to pray for the team as they go out each evening. Usually there will be one Prayer Pastor on duty each evening who will connect in with the team via a conference call. They then pray for the team while they are out for as long as they are able. (They are not expected to stay up all night!)
- Chaplain – we are looking for an experienced church minister/pastor who would be willing to provide pastoral support to all the various different team members. The previous chaplain was also a Trustee but that is not a requirement.
- For more information about any of these roles please **contact David Grant** using: [basingstoke@streetpastors.org.uk](mailto:basingstoke@streetpastors.org.uk) (taken from OneChurch, Basingstoke)

**Basingstoke Baptist Church Hub Update**

Dave and his team run the hub at Basingstoke Baptist Church each week. This is a brief overview of what they get up to:

“People begin queuing from 8.45am on Tuesday morning so tea and coffee is served while they wait. The tables are set up in the carpark under the gazebo and the team fill them with the produce ready for collection from 10.30am, one at a time. We serve an average of 25 individuals each week. Any excess goods are left on a table at the top of the carpark next to a public walkway for people to pick up whilst passing. There is usually no waste. Additional preprepared frozen meals are kept in case of any late comers.”

We are looking for individuals and churches who can give £10, £20, £50 a month (or more) to help with our running costs and expansion plans - vehicles, fuel, accommodation, equipment and utilities.

Thank you to the team at Basingstoke Baptist Church and all our distribution hubs who work tirelessly to provide for the local community

## Canon Paul Hardingham Considers the COP26 Climate Conference

**Caring for Creation** – This month sees the eagerly anticipated COP26 climate conference in Glasgow. As Christians, we need to hold together two key insights, if we are to engage with the challenge of climate change:

**The world is not ours:** *'The earth is the Lord's and everything in it'* (Psalm 24:1). The world is not ours, but God's! If we understand this, we will rediscover the responsibility of our calling to care for God's world: *'The Lord God took the man and put him in the Garden of Eden to work it and take care of it.'* (Genesis 2:15). This challenges our consumer mindset, that says the resources of the earth are both limitless and exist for our pleasure. As well as caring for the planet, we also need to care for its people, for it's the poorest who will suffer the most from climate change. According to the World Bank, 100 million could fall into poverty by 2030. We cannot properly address the climate crisis until we re-learn our place in God's world!

**We belong to Christ:** We also belong to the one in whom: *'all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things have been created through him and for him.'* (Colossians 1:16). We can look forward to the climax of history when God will restore the broken world and make everything new. We are empowered by Christ to take our proper place as stewards of the earth, as we share in this hope. We are called to love God and neighbour, and care for the planet by living simply, recycling, conserving energy and choosing reusable options.

However great the climate crisis gets, as Christians, we can engage in it with faith and not with fatalism! *(from Parish Pump)*

### We Remember

The Somme, Dunkirk and Passchendaele Cause us to think of times of war,  
When men and boys went bravely out, they fought, some died and returned no more.  
They gave their all that we should live, we never should forget such cost,  
Remembering with thankful hearts our freedom gained as lives were lost.

Another Man gave up His life, another war, another fight,  
With all mankind held fast in chains as darkness fell as black as night.  
The cost was high, a sinless life to break the chains and set us free,  
The Lamb of God on Calvary's cross paid that price for you, for me.

### Prayer for November

Father, in these short, dark days of November, with all the uncertainties and complications in our new Covid 19 landscape, help us to feel the reassurance of Your presence in the gift of each new day. Help us to be guided through the darkness by Your light - by Jesus, who will never leave us or forsake us.  
In His name - the name above pandemics and shortages and rising bills and all anxieties  
- we pray, Amen.

*by Daphne Kitching (Parish Pump)*

## Canon Paul Hardingham Considers the Horrors of War

**Lest We Forget** – *'In Flanders' fields the poppies blow between the crosses, row on row, that mark our place: and in the sky the larks, still bravely singing, fly scarce heard amid the guns below.'*

This is the first verse of John McCrae's poem, first published in Punch magazine in 1915. It soon came to symbolise the sacrifice of all who died in World War One. Today, the poppy remains a tangible symbol for those who have sacrificed their lives in war, especially as we remember those who died in Afghanistan. But why do we remember?

*'They will beat their swords into ploughshares and their spears into pruning hooks. Nation will not take up sword against nation, nor will they train for war anymore.'* (Micah 4:3). Writing 700 years before Christ, Micah spoke at the time when Samaria fell due to the aggression of Assyria. However, he prophesied a future of hope, a world where nations come together in peace rather than war. His words are fulfilled in the kingdom of God established by Jesus.

Our understanding of *peace* is more than simply the absence of conflict. It is about building relationships between people, communities and nations, founded on love and justice for all. As we remember those who died in war, we should look practically at how we can build such relationships, beginning with our own families, colleagues and neighbours. *'We will walk in the name of the Lord our God for ever and ever.'* (Micah 4:5). Let's ask God's Spirit to make us people of peace, justice and compassion for today's world.

*'They shall grow not old as we that are left grow old: Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning we will remember them.'*

*from Parish Pump*

**Nigel Beeton writes:** *November is also the month of remembrance, made more poignant this year by the recent withdrawal from Afghanistan. Was it a waste? It's not for me to say, but the gallantry shown by our armed forces can never be a waste. We, like their families, are so proud of what they did in the name of freedom. I cannot think of a more appropriate poem than the one that I wrote in 2009 in response to the loss of our soldiers out there, **O Gallant Youth:***

### **O Gallant Youth** (by Nigel Beeton, from Parish Pump)

Through long dark years our young have fought and died,  
in Freedom's name our country's foes defied;

Now in Remembrance they are glorified, O Gallant Youth, we owe so much to you.

Though they were young, when came their country's call,  
ready they were to stand up strong and tall.

They did not flinch when asked to give their all, O Gallant Youth, we give our thanks for you.

*Rows of graves, with headstones white tributes to our gallant men,  
From Sun's rise till it sets from sight we'll always remember them.*

Though they know well how high the price before – legions of men and women lost in war –  
Our young today are standing firm and sure! O Gallant Youth, we are so proud of you!

*Desert sands, through wind or flame far flung seas, or skies of blue  
Where you go in Freedom's name we'll always think of you.*

Go, in our name, to duty or to fight, go, with our hopes into the darkest night;  
The hand of God will lead into the light, O Gallant Youth, we send our prayers with you!  
Follow your fellow men from ages past stand side by side with them, sincere, steadfast  
Fight for the right until you come at last home, Gallant Youth, to those that wait for you.

## Basingstoke Choral Society

### PRESS RELEASE

It's been a long time coming, but with the easing of Covid restrictions, **Basingstoke Choral Society, together with Croydon Philharmonic Choir**, is delighted to be able to welcome their audience back to **The Anvil, Basingstoke**, for a concert of Choral Gems, on **Sunday 14 November at 7 pm**.

Having had to cancel six previous concerts, this performance, the first since March 2019, will be particularly noteworthy for the choirs, who have only recently been able to attend live rehearsals. Practice hasn't stopped however, with rehearsals being held on Zoom throughout and many choristers having learned new skills, mastering the technology for the first time. Furthermore, new members have joined and previous members have re-joined the choirs, indicating the dedication and professionalism the singers will be bringing back to the stage.

Music will include *Cantique de Jean Racine* by Faure, *Laudate Dominus* by Mozart, Franck's ethereal *Panis Angelicus* and the 23<sup>rd</sup> Psalm setting by Howard Goodall, which viewers of *The Vicar of Dibley* will instantly recognise. The programme will also include pieces by Bach, Haydn, and Monteverdi.

The choirs will be joined by accomplished soprano soloist, Emma Tring, and accompanied by the New London Sinfonia. **The conductor will be the choirs' Musical Director, David Gibson.**

**Tickets are priced at £27, £21, £16 and £12, with student and under 16's tickets at £7 (including a £3.00 booking fee). All are available from the Anvil Box Office on ☎: 01256 844244 or [anvilarts.org.uk](http://anvilarts.org.uk).**

## Good News for Coffee Lovers

If you drink a cup of coffee a day, you could reduce your risk of having a stroke by a fifth. A recent study, by researchers at Semmelweis University in Budapest, found that people who drink a moderate amount of coffee (from half a cup to three cups a day) are 21 per cent less likely to have a stroke, as compared to people who avoid coffee completely. About 100,000 people in the UK suffer a stroke each year, and it is the fourth leading cause of death, just behind dementia, heart disease and lung cancer.

100 years ago, on 11 November 1921 Remembrance poppies were sold for the first time in British and Commonwealth Countries to Commemorate Military Personnel who died in war. In the UK they are sold by the Royal British Legion to raise funds for current and former members of the British Armed Forces. Around 30 million poppies are sold each year.

## Contactless Payment Limit Goes Up

The contactless payment limit has just more than doubled. It now stands at £100. And while this will be more convenient to many of us, it is also “a thief’s dream.” So say the critics. As one financial expert from fund shop AJ Bell, points out: “By spending £100 a pop without having to put in a PIN, it will be very easy for thieves to blitz through money quickly, before you even spot that your card is lost or has been stolen.” Another finance expert, from the consumer group Fairer Finance adds: “it’s much more attractive for petty criminals to steal cards and use them a few times if they can spend up to a three-figure sum.”

The greatest saints have always shown the perfect combination of nearness to our Lord on the one hand, and a deep sense of their own unworthiness and weakness on the other – *Anon*
